1. Introduction

Gamify Studios™ is a game development company based in Singapore. Founded in 2021, the company has grown rapidly into a strong team of international personnels with two studios based in Vietnam, and we're going to further expand the business in SEA and Eastern Europe. Combining the depth and breadth of the expertise of the founders and with an award-winning team of artists and developers, Gamify Studios™ amazed the crowd with unprecedented gameplay, stunning graphic and eclectic mix of music that harmonized with the gameplay and artstyle.

The team consists of professionals and industry veterans who have created highly acclaimed work for the biggest name in mobile games. Working in tandem with experienced Mathematicians, Gamify Studios™ is also home to a team of young creators who are enthusiastic and driven to produce continuous breakthroughs. Gamify Studios™ values ideas, innovation and people so that every product is a true reflection of our entire team's capabilities.

Our Mission is to revolutionise mobile app gamification by leveraging on our wide spectrum of bespoke gaming solutions. Our games are the epitome of astounding, remarkable aesthetics and captivating gameplay that deliver unrivalled gaming entertainment for all mobile slot players.
